Dear Sir:

This paper is in response to the Notice of Incomplete Nonprovisional Application filed under 37 C.F.R. 1.53(b), dated May 17, 2005. In the Notice of Incomplete Nonprovisional Application, the Office alleged that the subject application was filed without drawings in compliance with 35 U.S.C. § 113. Applicant submits that said drawings were included in the original submission of the above-referenced application on April 20, 2004.

As part of the general procedure during filing, the application is reviewed for completion and consistency the number of the application pages being submitted to the United States Patent and Trademark Office (USPTO) and then mailed. To the best of the undersigned's knowledge, this procedure was followed with the application under consideration and the mailing was completed without any further incident or unusual.
